Criminal Record Check

In accordance with Essential Foundation INC. Child & Family Ministries policy and Texas Department of Family & Protective Services licensing standards DPS, CPS & FBI background checks are required for any individual who resides in a foster/adoptive family's home and is age 14 and over, or anyone who will be providing care for a foster child. (FBI background checks require the individual to be fingerprinted, at a cost of approximately \$40 per person.) DPS & CPS background checks are also required for individuals who are frequent visitors to a foster/adoptive home. By signing below you are giving Essential Foundation INC. permission to conduct these background checks, to determine whether any offenses have been committed which may adversely affect your contact with foster children.

A form should be completed for <u>each</u> foster/adoptive parent applicant, as well as all household members age 14 and over, and turned in to Essential Foundation INC. staff (with a copy of the individual's Driver's License or State ID, if applicable) as soon as possible. The form must be filled out completely. Nothing should be left blank. If something does not apply to you, simply put "N/A".
