FOSTER CARE

Foster care is when the children are in the custody of the state and we work with you and CPS with a goal to reunify the family. Children will receive benefits such as counseling, therapy, education and insurance such as medical, dental, and vision. Foster parents are reimbursed for care provided to the child(ren) to offset costs such as tuition and fees to a state college, vocational, or technical school and care.

ADOPTION

Parents adopting children may qualify for adoption subsidy if they adopt a child from DFPS system. We place matching children that are legally free for adoption or children potentially free for adoption (Legal Risk). Essential will help with the process every step of the way including but not limited to Legal representation to adoptive home study.

KINSHIP CARE / FOSTERING CONNECTIONS

EFI facilitates Kinship care which temporarily provides foster care to children while later entering into an agreement with the state for a financial assistance program. At times kinship caregivers take permanent legal custody of the child. This program allows a Kinship Caregiver for a child to pursue foster home verification, if they are interested in supporting a child in DFPS conservatorship who is placed in their care.

COUNSELING

The mental health and wealth of a Child is fundamental to their growth. At Essential Foundation Inc children's mental health is top priority.

HOME STUDIES

We provide foster care and adoption home studies with written evaluations. We perform these detailed studies without judgement or preconceived opinions. The purpose of the home study is to verify a home is the perfect fit for a child. We consider every aspect of the home and family life so there is no doubt each home will be the best environment for a child to thrive, grow and succeed.

MENTORING / TUTORING FOR CHILDREN

Essential Foundation Inc. prides itself on helping children find their voice. Through mentoring we help children find a positive way to get their words across. Our Academic Center offers tutoring and homework help for ages 5 - 18.
